Aspire Restaurant Opens Tented Rooftop Terrace

Providence, RI – *April 28, 2009* – Aspire Restaurant, located at 311 Westminster Street in Providence RI, has announced the opening of its tented rooftop terrace. The tent will expand the already spacious restaurant, providing a unique and coveted outdoor space in the center of downtown Providence. The terrace is located above the AAA Four-Diamond awarded Hotel Providence and can be accessed through the lobby of the stylish boutique hotel.

The view from the tented perch reveals dramatic seasonal changes amidst the backdrop of the charming architecture of Providence. Furthermore, the tent offers an additional stage to showcase Aspire’s philosophy; the celebration of the art of Rhode Island cuisine with innovated preparation of regional ingredients. “The Hotel Providence and Aspire Restaurant are thrilled to usher in springtime in Providence with the opening of the tent”, said Patrick Jordan, General Manager. “With this fresh new outdoor venue and our team of experienced and dedicated professionals, we are sure to offer our guests an experience unlike anything else in the city”

The versatile new space is available for corporate and social events and will be the home of Aspire’s weekly Friday night Jazz Series.
